This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successor and assigns of CUSTOMER and LESSOR. No option to purchase said EQUIPMENT attaches to this Agreement. Any option must be in writing and signed by a manager of LESSOR.

2. Rental rates are for single shift use (up to 8 hours per day). Fraction of day draws full daily charge. Total charge based upon elapsed time whether EQUIPMENT used or not. Additional charges will apply for usage if in excess of 8 hours/day, 40 hours/week, or 160 hours/month. For such excess, if any, a surcharge will be added based upon a proration of the daily, weekly or monthly rate, whichever is applicable. CUSTOMER will pay LESSOR on demand at LESSOR's facilities designated on the front of the Agreement, all rental, transportation, sales and use tax or tax reimbursement imposed with respect to the EQUIPMENT and other charges and sums, as provided for in the Agreement, including reasonable attorney's fees incurred in enforcement of the Agreement or for collection of any sums due. Any individual signing this Rental Agreement for the CUSTOMER shall thereby make said CUSTOMER liable for full payment of all rental services and any other costs that might be incurred until such time as the EQUIPMENT is returned to the LESSOR. If the CUSTOMER fails to pay any amount that becomes due under this Agreement or fails to pay any invoice to LESSOR in accordance with the terms of such invoice, the CUSTOMER will be obligated to pay a service charge of 1.5% per month (18% per annum) on the delinquent balance.

3. CUSTOMER represents and warrants that he shall not allow any person who is not qualified to operate the EQUIPMENT or use the EQUIPMENT. However, the exact manner in which this EQUIPMENT will be used and the trade and occupation of the user and the qualifications or lack of qualifications of the user are beyond the control of the LESSOR. LESSOR therefore expressly disclaims any responsibility for CUSTOMER's compliance or failure to comply with OSHA and/or any other governmental safety regulations or standards. LESSOR shall not, in any case or under any circumstances, be liable or responsible for any damage to property or injury to persons or death suffered or sustained in the use, operation and/or handling of EQUIPMENT covered by this Agreement or otherwise in connection therewith, no matter how caused or occasioned. CUSTOMER assumes all risk and liability for and in connection with the EQUIPMENT covered by and during the term of this Agreement or any holdover period, and CUSTOMER indemnifies and holds LESSOR harmless from all claims, lawsuits, loss, injuries (including death), liability and expenses including attorney's fees by reason of CUSTOMER's use, operation and/or handling of EQUIPMENT including compliance with OSHA or any other governmental safety regulations or standards excepting any loss due to the gross negligence or intentional misconduct of LESSOR. As a supplier of mobile rental equipment, LESSOR disclaims responsibility for any and all permits or licenses necessary to operate the EQUIPMENT due to zoning, air quality, building or construction codes or use permits pertaining to CUSTOMERS' or CUSTOMERS' client's particular application of such EQUIPMENT or any similar type of permit. Note: South Coast Air Quality Management District (SCAQMD) permit conditions may apply to the rented EQUIPMENT. In the event the EQUIPMENT rented has been permitted by SCAQMD, CUSTOMER acknowledges receipt of the SCAQMD permit conditions for operation of the EQUIPMENT. CUSTOMER indemnifies and holds LESSOR harmless from any and all use of said EQUIPMENT in violation of these conditions including any fines, penalties, damages or expenses (including attorney's fees). A copy of the permit to operate is on file with LESSOR and is posted on the EQUIPMENT rented.

4. CUSTOMER acknowledges the receipt in good order and condition of said EQUIPMENT and agrees to take good care of said EQUIPMENT. It is the CUSTOMER's responsibility to fuel, add and change oil and filters, lubricate, make minor adjustments and perform other maintenance in accordance with manufacturer's recommendations. The CUSTOMER agrees to replace cutting edges, bits and teeth or other wear items as required at his expense.

If CUSTOMER does not have the capacity to service the EQUIPMENT, CUSTOMER may contact LESSOR to perform these services at CUSTOMER's expense. The cost for this service will be at the prevailing labor, travel and parts pricing. In the event that the service is not performed, the CUSTOMER will be charged for the cost of performing the service when the unit is returned to LESSOR. CUSTOMER will be held liable for any damages that result from failure to perform the required service.

5. CUSTOMER agrees to pay all the transportation charges on EQUIPMENT covered by this Agreement from the time the EQUIPMENT leaves LESSOR's premises until the time it is returned.

6. CUSTOMER warrants and represents that the EQUIPMENT shall not be exposed to any hazardous, toxic or chemically reactive material while in possession and use by CUSTOMER except for those hazardous materials incorporated into the EQUIPMENT itself. At the expiration or sooner termination of this Agreement, or upon LESSOR's prior demand, CUSTOMER promises to return all EQUIPMENT to LESSOR's premises, in the same good, clean and uncontaminated condition as when delivered to CUSTOMER, subject only to reasonable wear. Reasonable wear shall mean only the normal deterioration of the EQUIPMENT caused by ordinary and reasonable use on a single shift basis. The following will not be deemed reasonable wear: damage resulting from lack of lubrication or lack of maintenance of necessary fluid levels; damage resulting from lack of normal services or preventative maintenance; damage resulting from any collision, overturning, or improper operation of EQUIPMENT including damage in the nature of breakage, bending, or tearing to the EQUIPMENT or any part thereof; damage to tires caused by puncture, bruise, abrasion or cut by wear at a rate in excess of 1/16" inch per month. Additional items not considered reasonable wear include excessive dust, salt water damage, corrosion and similar occurrences, or exposure to any and all hazardous, toxic, or chemically reactive substances.

7. If the EQUIPMENT is returned in a damaged or excessively worn condition, CUSTOMER shall pay LESSOR the reasonable costs of restoration. In the case of the loss or destruction of said EQUIPMENT, or any of the accessories, or the loss of possession thereof, or inability to return same to LESSOR, CUSTOMER agrees to reimburse LESSOR to the full extent of the current retail replacement value.

8. If the rented EQUIPMENT has been used in compliance with this Agreement, and if CUSTOMER has agreed at the beginning of the rental to the loss and limited damage waiver (LDW) which is NOT INSURANCE, and pays the additional charges as specified for LDW on the face of the Agreement, LESSOR agrees to waive any claim against CUSTOMER for direct physical loss of or damage to the EQUIPMENT for any external cause except as follows:
